

NIDHIM

NATIONAL DENTAL HYGIENE MONTH

October 2003

In 2000, 97 million Americans went without an oral health visit.

In 2003, ADHA and dental hygienists across the country continue to fight the **access to oral health care crisis** with increased education, awareness and accessibility.

To learn more about access to oral health care, ADHA or National Dental Hygiene Month, visit www.adha.org.
